

Purchase Items 48009, 48010 and 1 Endoscope Video Adapter & Receive 1 Alligator Forceps (# 48405) FREE

Item # 48405

Otoscope / Endoscope

The Otoscope / Endoscope is a multi-use instrument providing the small animal practitioner with a high quality, affordable system for patient ear / nasal examination and client education. Increase customer's confidence by demonstrating the latest technology in video otoscopy, disease diagnosis and treatment. By removing the Otoscopy Sheath, the user can also perform nasal examinations. The Endoscope Video Adapter allows for live monitoring and image / video capture (portable LED light included).
