

# Your Vetcorder has TWO apps available for download!

The Vetcorder has Bluetooth technology and can easily be set to mirror an Android or Apple platform phone or tablet. Here is how!  
NOTE: The two apps available for Vetcorder must operate independently of one another.

On the Android platform you'll visit your Google Play Store and search for the following:

VETCORDER MINIMONITOR

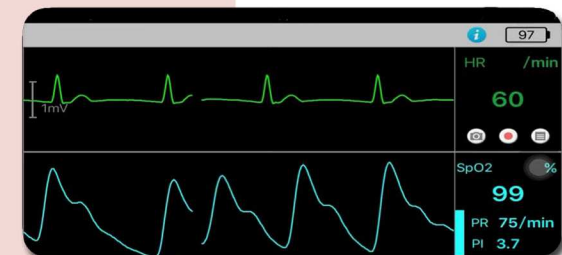

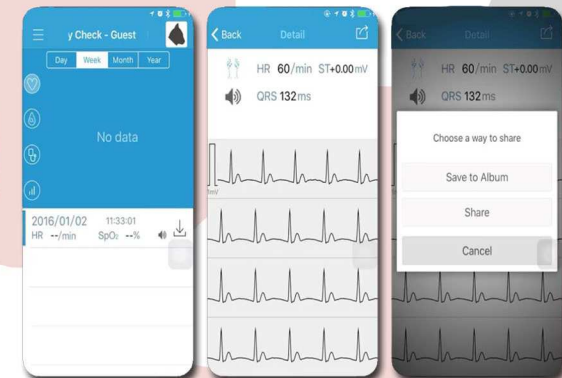

VETCORDER CONNECT

On the Apple platform you'll visit your App Store and search for the following:

VETCORDER MONITOR VITALS

VETCORDER CONNECT

If you have any questions about the downloads, or the function of the apps please contact our award winning customer support team for assistance. We would be happy to walk you through this.
